

2024 CDFI Mission, Corporate Mission and Vision Statement

Community Development Mission Statement

As a community development financial institution, MERCOCREDIT UNION is committed to improving the financial wellbeing of underserved communities by providing affordable and flexible financial products and community-centric services (financial education, counseling, and language translation support).

Mission Statement

Advancing financial inclusion, security, and sustainability, ensuring financial well-being for all.

Vision Statement

A California Central Valley where everyone, from any background, collaborates and shares in financial success.
